Honorable Mary Staley  
Chief Cobb County Superior Court Judge  
Cobb County Superior Court  
30 Waddell Street  
Marietta, Georgia 30090

Dear Honorable Staley:

Mrs. Wanda Spann's apparent racist, sexist termination from her position as Cobb County Pretrial Services Director had been brought to our attention. Mrs. Spann's work history information has been made available to us. We have determined she has had a twenty - three year career of loyal, dedicated service and an unblemished record with the Cobb County Judiciary.

Honorable Magistrate Court Judge Frank Cox announced a plan to fill her position is a gross miscarriage of fairness and administrative procedure towards Mrs. Spann. It is our understanding Cobb County Pretrial Director is an appointed position of the Cobb County Superior Court Judges under the Uniform Superior Court Rules of the State of Georgia. Furthermore, in our judgment Judge Cox does not have the authority, and regrettably, based upon our data at this juncture on this journey toward justice for Mrs. Spann, it appears she has been victimized by blatant racism and the violation of her due process, which she is entitled as a twenty - three year veteran employee of Cobb County.

Therefore, we are requesting a meeting with the Cobb County Superior Court Judges to revisit the circumstances, which led the to the apparent conspiratorial racist termination of Mrs. Wanda Spann. Please advise as soon as possible whether our request is granted.

Sincerely,
